Senior Class

HISTORY

On September 2, 1948, thirty-four pupils enrolled as members of the freshman class in Lyons High School. Twenty of this number were from Lyons and fourteen were from Newberry. On October 27, 1948 Patricia Garrett of Newberry joined the group. On October 11, 1948 Deloris Carpenter withdrew and entered Switz City Central. On December 14, 1948 Walter Strickland withdrew while on March 14, 1949, Priscilla and Shirley Waggoner withdrew, all three being permanent withdrawals from school attendance.

Class officers elected by the group were: president--Joe Bill Hasler, vice president--Bob Koehler, and secretary-treasurer--Betty Heshelman. Class sponsor was Mr. Heckman.

During the year a weiner roast and hayride were enjoyed on October 15 while at the end of school the group enjoyed a trip to Spring Mill.

On August 25, 1949, thirty-two sophomores were enrolled, Gary Earlywine of Freedom being the new member of the class. On March 2, 1950 Teddy Goad withdrew and entered school in Illinois.

Class officers for the year were: president--Gary Earlywine, vice president--Joe Bill Hasler, and secretary-treasurer--Betty Heshelman. Sponsors of the group were Mrs. Mary Sander Deckard and J. T. Briscoe.

Activities included a Christmas party in the gym and a trip to Spring Mill.

The junior year found thirty happy juniors enrolled on the opening day of school, August 31, 1950. New pupils included in this enrollment were Donald Ferguson from Elnora and Violet Flynn from Walnut Grove. Teddy Goad returned from Illinois and enrolled September 19, 1950 but withdrew October 3, 1950 to enter the army. Other withdrawals included Violet Flynn on October 25 and Patty Garrett on September 28. Violet entered school at Worthington and Patty went to Crane. Elizabeth Goad, Marlene Strosnider, and Robert Mowery did not enter this year.

The class officers elected by the group were: president--Bob Koehler, vice president--James Campbell, and secretary-treasurer--Betty Heshelman. Class sponsors were Miss Barbara Schabel and D. H. Vass.

The first semester the juniors sponsored the Curtis Magazine Drive. The group was divided into sides and the losing side gave a party for the winners which was a weiner roast and hayride at the home of Joe Bill Hasler.

During the first semester the juniors also enjoyed a skating party at Bicknell and the second semester a trip to Shakamak State Park.

The juniors held their annual reception for the seniors at the Linton Country Club on May 11, 1951.

Honors came to three members of the class, Eddie Deckard, Miriam Nichols, and Bernie Crum, who won first division rating in the District Music Festival at Greencastle and Eddie and Miriam also received first division rating at the State Contest at Terre Haute while Bernie placed third in the State Contest.

Enrollment in the senior class on August 31, 1951 was twenty-one. During the summer it had been decided that Newberry would enter Switz City Central for this year. Donald Ferguson and Mary Earnestine Musselman entered Switz while Brayton Bennington had moved to Elnora and entered school there; Homer Lee Goad entered Jeffersonville High School; Louise Pickett entered Tech of Indianapolis; and Alberta Reed and Rosemary Rowe had married during the summer and did not enter school anywhere.

Class officers selected were: president--Joe Bill Hasler, vice president--Gary Earlywine, and secretary-treasurer--Marilyn Wesner. Class sponsors were Miss Jennie F. Slack and C. E. Keller.

Class activities have included the sponsorship of the school carnival in October, the concession stand for pop, candy, potato chips, and gum at the home basketball games, the Thanksgiving and Christmas programs in cooperation with the churches of the community, and the school annual.

Activities for the class will come to an end with the Baccalaureate Services on Sunday, May 18, and Commencement Exercises on Tuesday, May 20.

PROPHECY

One dull evening, in late February, as Miss Slack was sitting in her home, reading the February 25, 1962, issue of the Lyons Daily News she came upon Jimmie Fiddler's column of gossip about important people across the nation.

The very first paragraph was about Ethel Malone, the famous society figure, who had just been named to top the list of the "Ten Best Dressed Women in America."

And here was another name Miss Slack recognized, Katy Patterson. This is what Jimmie had to say about Katy: "Miss Katy Patterson, the famous Metropolitan Opera Star of the South Pacific, has just been appointed Secretary to the President of the United States, D. H. Vass. It seems that D. H. and Katy have been friends of good standing for a long time."

"Why what's this?" exclaimed Miss Slack. "It says here the very talented ballet dancer, Marilyn Wesner, star of the Ballet Russe, is making a trip to Rome, Italy, where she is to star in a 'command performance' before the King of Italy in the large Roman Stadium." And just think, I knew her way back when, thought Miss Slack to herself.

Just then the telephone rang and who do you think it was? Yes, you guessed it, Mr. Keller. He had called to tell Miss Slack to turn on her TV set to channel 14, where the program "Current Events" was just about to begin. So Miss Slack ran to the ice box, grabbed herself a candy bar, and prepared to watch TV.

As the program began, a medley of very impressive music was heard, and as she turned the knob to focus the picture better, she soon recognized the orchestra as the New York Philharmonic, and what do you know, there was Bernie Crum directing the orchestra and they were featuring, Miss Miriam Nichols, who had won world fame as a concert pianist. "Why, I remember when both of them were in Lyons High School, but I never dreamed they would some day be that famous."

And then as the program progressed, the scene was changed from Boston to New York where a fashion parade was taking place, and on the screen flashed Miss Jane Truelove, who was now a famous model in Macey's Department Store. She was modeling a very beautiful coral tafetta, off the shoulder evening gown, and over her left arm was a white ermine evening cape. "By the way," said the announcer, "Miss Truelove is married and rears a family on the sideline."

"And now," the announcer said, whom Miss Slack suddenly recognized as Connie Edwards, "you are to be an eye-witness to a Jet Plane flying faster than sound." Later on she found that the plane was piloted by Ricky Byrd, who was a Colonel in the Air Force. The announcer added, "you will remember Ricky in the great motion picture, 'Love, Love, and More Love'."

"Now," said Connie, "I'll tune you in on Hollywood, where we will see a demonstration on hair styling." And who do you suppose the beautician was? None other than Miss Betty Heshelman appeared on the screen. It seems that Betty was hair stylist for all the Movie Stars in Hollywood and owned the most exclusive shop to be found anywhere.

And then Miss Slack got tired of the program and changed channels. She had the State Finals of the IHSAA and Lyons was playing in the final game. They were leading Tech of Indianapolis by thirty-one points, and the Lyons team was being coached by Bill Fulk of Bushrod. Lyons won the game and the I. U. Band was playing the Lyons School Song. The I. U. Band was under the direction of Eddie Deckard, the new I. U. Band Director.

Miss Slack then turned off her TV set, and picked up the current issue of "The 1962 Builder's Guide". She opened the magazine and saw a beautiful home pictured. "My," exclaimed Miss Slack, "what I wouldn't give for a home like that." The house had won first prize in a contest sponsored by the magazine and, to her surprise, the builder was none other than Architect Richard Baker of Lexington, Kentucky, formerly of Newberry, Indiana.

She turned the page and saw an advertisement which read, "Buy your TV set at Gary's." It seemed Gary Earlywine was now running a TV Shop at Farmersburg, Indiana, where he and his wife, the former Helen Morrison, and their six children were living.

At the bottom of the page was Bob Vaughn's add. "Get your Registered Angus Cattle at Bob's Farm at Sullivan, Indiana." Bob was owner of several hundred head of Angus Cattle.

She glanced on through the magazine and saw an add for a new make of automobile, "The Haper-66". The builder and designer of the car was none other than Phil Haper of Lyons and Indianapolis.

Just then Miss Baker brought in the "Morning Star". "My," said Miss Slack, glancing out the window to see the sun slowly rising, "Don't tell me I read all night."

As she looked at the "Morning Star", she saw where the ship USS Missouri was docking at New York, and Joe Bill Hasler was the Lieutenant Commander in the Navy in charge of the ship.

"Well, look here, Mavis Fines is getting a marriage license." "Well, her ambition was to get married and have a family. Good luck to you, Mavis."

"Here's another add." "Let Koehler's Electric Shop do all your new home wiring." "And here's where Jim Campbell has just purchased a new fleet of trucks and has a million dollar contract with the government."

And in the Society Column, Miss Slack saw where Mr. and Mrs. Keith Anderson were vacationing in Florida.

"Well," exclaimed Miss Slack, "Dewayne Cooper has just returned to Plummer, Indiana, from a six months trip to Africa where he has been on a secret mission for the United States Army."

"Oh, well," sighed Miss Slack, "it wasn't such a dull night after all, but since I'm rather sleepy now, guess I'll lie down for awhile," and as she does she begins to dream of the good old days back at LHS with the seniors of 1952.

Mr. Grounds: "Stan, did you take a shower?"
Stanley P.: "No, is there one missing?"

GRADE SIX

The sixth grade class began the year with an enrollment of seventeen boys and twelve girls. During the year Dale Byers moved to Bloomfield and Walter Howell moved to Worthington.

On September 11, 1951, the following class officers were selected: Sondra Edwards, president; Gary Shepherd, vice president; Kay Kendall, secretary; Mary Jane Patterson, treasurer; and Patsy Mullis, news reporter.

The class has enjoyed birthday parties and also a gift exchange at Christmas time. During the Christmas week attractive room decorations and a Christmas tree were enjoyed by all.

The class has been engaged in a library project for their own room.

Plans have been made for a Valentine party and a class party in the spring.

GRADE FIVE

On August 31, 1951, twenty-nine happy, smiling youngsters, fifteen boys and fourteen girls entered grade five. During the first semester Dulcene Byers moved to Bloomfield, Jimmie Frye moved to Park, and Richard Allen moved to Taylor Township and attends school at Scotland.

In height our class members range from 51 inches to 60½ inches. In weight the range is from 51 pounds to 120 pounds. One strange coincidence is a sweet little girl that weighs one pound for each inch of her height. Another phenomenon is a charming young lady of 60½ inches in height and a weight of 120 pounds. Somehow, our manly boys' heights and weights do not so nearly coincide.

Members of the class participated in the operetta "Christmas in the Circus" and six of the class are members of the school band.

Without doubt there are some geniuses in the group, just give us a few years to develop our talents, then watch our smoke.

Mr. Aydelotte: "Gary, where was the Declaration of Independence signed?"

Gary Shepherd: "At the bottom, I guess."

GRADE FOUR

Ten girls and seventeen boys entered grade four on August 31, 1951. Since then Eugene Kirkwood and Albert Canady from Switz City Central, Connie Sue Hair from Linton, and Billy Clark from Warren Township, Marion County, have joined the group while Norma Allen has moved to Scotland, Sharon Byers to Bloomfield, and Patricia Gregg to Linton. The present enrollment is twenty-eight.

Musical talents were displayed in the grade operetta. Wild animals, monkeys, brown bears, ponies, and a singing clown joined the Circus Group. Karen Gastineau, Jackie Jeffers, Janet Powers, Jimmie Edwards, Jimmie Fish, Larry Bosell, and Mickey Kinnaman are studying band instruments.

Art units included Indian study. Drawings and designs were worked out and crayonexed on muslin costumes. Thanksgiving centered around an early Pilgrim Village. Christmas included the usual emblems and symbols. Other favorites were Frosty, the March hare, Easter Bunny, and stained glass windows. Lettering and posters were emphasized the second semester.

Special work centered around Benjamin Franklin and his famous quotations during Thrift Week. Two short plays were given. Invited guests were grades 1, 2, 3, and 4, and the seniors. The seniors had placed a beautiful lighted tree in the lower hall for all to enjoy a few days before Christmas and they also sponsored the school annual. Grade 2 with Santa and his helpers had treated us to candy canes. Grade 3 had dramatized a story for us and given an exhibit the first of school. Grade 5 had also invited us to their fall exhibit and their sugar-cube church scene at Christmas time.

Lincoln and Washington provided patriotic study while Thanksgiving, Christmas, and Easter provided religious thoughts.

In addition to the prescribed course of study and its sidelines, the highlights of the year have been Thanksgiving, Christmas, Birthday, Valentine, and May Day parties.

GRADE THREE

When school began in the fall there were twenty boys and girls in the third grade. Nancy Allen moved to Scotland and Gloria Jean Hamilton to Switz City. Norman Byers from Calverts-ville entered the class during the second semester.

Members of the class took part in the operetta "Christmas in the Circus." Other activities of the class included story dramatization, modeling from fire clay, and water color and tempra painting.

GRADE TWO

Dr. Marie I. Rasey of Wayne University says, "Teachers do not educate. They are bystanders. It is experience that educates. The teacher's job is to arrange the pupil's environment so that experiences will be accessible to them."

My aim has been to expand old enterests, stimulate and develop new and worthwhile interests.

The typical American child learns to utilize and to enjoy only a few of his talents. Therefore, the emphasis has been put upon giving the child opportunity and encouragement for expression in dramatization, story telling, writing, music, and drawing. The entire class participated in the grade operetta, "Christmas in the Circus". The group also gave a little skit entitled "Santa" for the Christmas program.

Everyone enjoyed our gift exchange and party in our room. Santa and his helpers, from our grade, visited the first four grades treating the children to candy. We worked out the story of The First Thanksgiving and The First Christmas in the form of a frieze across the front of the room. We are looking forward to a valentine party and our school exhibit.

GRADE ONE

Twenty-one happy boys and girls entered school for the first time on August 31, 1951. During the year Bruce and Frank Allen moved to Scotland and Roberta Frye moved to Bloomfield. New pupils were Kathleen Byers from Calvertsville and Shirley McCombs from Illinois.

Members of the entire class participated in the Christmas operetta sponsored by the Music Department. They were Pop Corn Balls and members of the Rhythm Band.

Social activities have included a Christmas and Valentine party and a birthday party given by the mother in honor of each child whose birthday occurred during the school year.

Pupils in the first grade are always happy to have visitors and appreciate the interest shown in their school work.

Friendship is the ability to see with the heart instead of the eyes.

To find fault is easy; to do better may be difficult.

HOME ECONOMICS

School opened with an enrollment of nine freshman girls and fifteen sophomore girls in home economics.

The first semester was devoted to advanced foods. The girls specialized in baking pies, plain and fancy cookies, cakes, and the preparation of special vegetable and meat dishes. Table setting for various types of dinners was also taught.

The girls held a bake sale at which they cleared \$35.00. This money was used to purchase a coffee urn for the department. They now have \$10.00 toward the purchase of an electric mixer. The coffee urn may be rented by the public for \$1.00, this charge being made for upkeep.

As the final examination in foods, the class served a luncheon with the faculty members as guests.

The second semester the group studied child development and home nursing. The Red Cross sponsored the showing of special films for the home nursing class and girl's physical education class.

School opened with seven junior girls and six senior girls enrolled in advanced home economics.

During the first semester a course in consumer buying was offered. When this course was finished, the girls worked in advanced clothing. Each girl has made a child's garment and a street dress or corduroy sport outfit. During the second semester the class has enjoyed their work in advanced sewing and handicraft. At the end of the school term an exhibit of all work completed is being planned.

Each girl is responsible for one home project each semester, with the exception of the seniors, who have only one project during each year.

INDUSTRIAL ARTS

Industrial arts has been offered this year to the seventh and eighth grades for the first time in several years. The grade boys have been very busy with woodworking and brass tooling projects.

The following courses were offered to the high school classes:

Freshmen: mechanical drawing and bench woodworking.

Sophomores: woodworking with power tools which included circle saw, jig saw, wood lathe, and drill press.

Juniors: general shop which included woodwork, arc and gas welding, and metal lathe.

Seniors: arc welding in all positions, gas welding, and advanced lathe projects.

Veteran's classes have been held on Monday and Wednesday nights and Saturday mornings. Twenty-five veterans have been enrolled in the welding and metal school. These boys have made playground swings and merry-go-round which have been greatly enjoyed by the pupils in our school. For their next project, they plan to build a slide.

COMMERCE

The commerce department has had sixteen enrolled in beginning typing and fifteen in advanced typing. In the beginning class fundamentals of typing have been learned along with personal and business letter writing, the making of booklets and programs, and some general business forms. The advanced class has studied and learned the typing of advanced office problems, stencil cutting and mimeographing, and advanced speed and accuracy work along with Civil Service requirements.

The bookkeeping class has had an enrollment of twenty. In addition to learning the fundamentals of bookkeeping, two practice sets, the sole proprietorship and partnership sets, have been completed. Machine posting has also been a part of the work.

MUSIC

The Lyons High School Band started the new year with twenty-seven members under the direction of Miss Barbara Hickey.

The band has made appearances this year at the home ball games, school operetta, and Christmas and Thanksgiving programs. The band is also making plans to participate in the Greene County Band Festival at Worthington in March.

Five members of the band participated in the District Solo Contest at Bloomington. They were Eddie Deckard, Baritone and Student Conducting; Miriam Nichols, Twirling; Carolyn Page, Clarinet; Bernie Crum, Student Conducting; and Nina Bosell, Cornet. A brass quartet and a twirling ensemble also participated.

The Lyons High School Glee Club started the year with twenty-eight members under the direction of Miss Barbara Hickey.

The glee club has made appearances at the Community Talent Show, Christmas Caroling, and Thanksgiving and Christmas programs.

A grade operetta entitled "Christmas in the Circus" was presented by grades one to six on December 13 in the gym. The operetta was very successful.

JUNIOR HIGH BASKETBALL TEAMS AND MANAGERS

BASKETBALL

The Lyons High School Basketball Team started the year rather slowly as they had lost seven seniors the previous year.

As the season progressed, the Lions gained confidence and poise. They improved their game steadily and after the Wabash Valley Tourney, they averaged sixty-one points per game for their last seven games.

This year was highlighted by exceptionally good team work and a strong come back in the second half of the game.

One of the games which will always be recalled will be the sectional tourney game in which the Lions finished their game with two men on the floor while Jasonville had only four. The Lions lost to Jasonville, the tourney champs, by eight points. Lyons lost seven men via the personal foul route while one was ejected for rough play.

Although the won-lost ratio was not the best, the season was very successful in terms of team spirit and fair play.

The Lyons second team, composed mainly of freshmen, although finishing on the short side of the winning column, completed the season with an improved style of ball playing and showed promise for the future. They collected two victories against fourteen losses.

The team had a free throw percentage of 47% which is considered good shooting at the foul line for a younger group of boys.

BASEBALL

The Lyons High School Baseball Team started the year under a handicap. With the loss of part of the Newberry players, the team was forced to begin its season short of regulars.

Under the circumstances, the team did well, for while playing the top county competition, it won two games and dropped six.

The team hopes to continue through the spring and summer and should show marked improvement with more experience.

The Lyons Junior High Team this year had a very rough season losing all eleven of their games. With only two returning letter men, Coach Aydelotte was forced to go down into the sixth grade for material. Lack of experience and height hindered these players throughout the season but they showed much promise for future years. The team will lose just two boys this year and will be a constant threat for any team in the county next year.
